

EGYPT MINISTRY OF EDUCATION
Cairo, Egypt

April 15, 2018

This letter serves as an official invitation letter to the delegation to attend the GENIUS International High School Project Olympiad on Environmental Issues from June 11th to 16th, 2018 in Oswego, New York State of the United States. Please find a list of the members of the official party that are going to attend GENIUS 2018 below:

First Name of the Participant	Last Name of the Participant	Status	Date of Birth
MOHAMED	DEIN	Student	5/8/2001
HEBA	FARAG	Supervisor	5/5/1967
MOHAMED	MAHMOUD	Student	4/14/2001
AYA	MOHAMED	Student	9/23/2001

The GENIUS Organizing Committee will act as a host for your delegation from June 11 until June 16, 2018. We will provide lodging, food, and transportation for your team during the event. You and your team will stay at Cayuga Hall, SUNY Oswego (20 Cayuga Circle, Oswego, New York, 13126) throughout the event. You should submit your travel form at www.geniusolympiadapplication.org once you book your tickets in order for us to welcome you at the airport. **Please make sure that your passport expiration date is at least 6 months (at least February 2019 or later) after your entry into the U.S. You are highly advised to purchase travel health insurance (see finalist guide on our website for more information). We do NOT cover any medical/health bills.** You are advised to bring U.S. Dollar currency for your immediate purchasing needs on campus.

In addition to several on-campus events, we will arrange for your delegation to visit some local attractions (Niagara Falls), shopping mall, and universities. Enclosed please find the tentative event schedule. With your participation, we will instill the values and raise awareness in our children for a sustainable environment so that future generations will also have a chance to enjoy our beautiful world. We believe this Olympiad will benefit your students and the development of youth science education. We offer, for an extra fee, a field trip to Washington D.C. and New York City as part of the Terra Discovery program between June 15 and 18, 2018 and a Boston University trip (Yale, Princeton, Harvard, MIT, Brown, Columbia) between June 16 and 21, 2018. For more information about the trip details, please visit our website.

For a number of countries, a B1/ B2 visa is necessary to enter the U.S. You may need a copy of this official invitation letter as a reference for obtaining a visa for the U.S. Please check your country's visa information at <http://travel.state.gov>. Because travel requirements may change, we recommend that attendees contact their local embassy to ensure they have proper documentation.

We are looking forward to welcoming you and your delegation at the GENIUS 2018. **If we can be of any assistance, please do not hesitate to email us at info@geniusolympiad.org or you may reach us at +1(315) 400-1763.**

Sincerely

Dr. Fehmi Damkaci
Chair and Associate Professor of Chemistry &
