

## INVITATION LETTER

IEEE International Conference on Smart Mobility (IEEEESM'23)

19-21 March 2023, Thuwal, Kingdom of Saudi Arabia

On behalf of the 2023 IEEE International Conference on Smart Mobility (IEEEESM'23), we cordially invite:

- Ms. Hagar Alaa Abounar, Smart Mobility Challenge Participant, Passport number: A18419702
- Eng. Basma Ibrahim Saadallah, Team Advisor, Passport number: A29188440
- Ms. Aya Hussameldin Sayed, Smart Mobility Challenge Participant, Passport number: A26917346

to attend the conference that will be held between the 19th and the 21st of March 2023, at King Abdullah University of Science and Technology, Thuwal, Kingdom of Saudi Arabia.

The conference is technically sponsored by the IEEE Technology and Engineering Management Society (IEEE TEMS). IEEEESM'23 is designated for reporting recent research, development and deployment results in smart mobility systems and services, their challenging problems, and their potential applications. IEEEESM is where academics, technologists, OEMs, mobility service providers, city planners and policymakers can network, learn and collaborate with each other.

- Date: 20th - 22st March 2023
- Event Timing: 9am - 5pm
- Venue: King Abdullah University of Science and Technology, Thuwal, KSA
